## **MEMORANDUM OF UNDERSTANDING**

This agreement is entered into and executed on **02/09/2025** and is valid for **Three years** or till the cancellation of agreement by either party in the said period.

**By and between:**

**Electronics Service and Training Centre, Ramnagar, Uttarakhand.**

And

**Maya Devi University**

Selaqui, Pharma City, Dehradun,

Dehradun, Uttarakhand- 248011

**Electronics Service and Training Centre** has been established as a Govt. of India, Society - registered in April, 1986, under the Societies Registration Act. 1860. As per the Project Document, the main objective of setting up this project is to develop human resources to meet the essential requirements for transfer of technology in assembly and manufacturing of electronics items and parts.

### **Aims & Objectives of ESTC**

Training of the personnel in the areas of production and quality control for electronic and I.T. industry.

- Providing common facilities to the entrepreneurs in the region.
- To render counselling and guidance to new entrepreneurs in setting up of small-scale electronics and I.T. units.
- To develop products and processes involving advanced technologies in industry.
- To evolve a consultancy cell for the small-scale industries in the region.
- To establish Library-cum-Documentation Centre.
- To identify and promote ancillary industrial units for the large/medium enterprises in the region.
- To conduct market research and development of the above products for domestic and export markets.

### **About Maya Devi University**

- With 15 years of legacy, established in the year 2010, Maya Group of Colleges is now Maya Devi University under the Uttarakhand Private University (Amendment) Act 2024, (Act No. - 05, 2024).
- Maya Devi University, with its world-class infrastructure, social values, high standards of learning & research, and strong corporate & industry interface, is a right launch pad for aspiring technocrats, entrepreneurs & would-be managers.

- We are committed to promoting Professional Education in Engineering, Agriculture, Management, Applied Sciences, Pharmacy, Hotel Management, Tourism, Disaster Management, Holistic Studies, Commerce, Animation, and Computer Application.

## **Vision & Mission of Maya Devi University**

### **Vision**

To be a global leader in benchmark education, research, and innovation, transforming communities by developing the next generation of ethical, environmentally conscious leaders and entrepreneurs to serve all nations.

### **Mission:**

1. To provide an innovative, inclusive, and accessible learning experience that equips students with the critical knowledge and adaptive skills needed to excel in a rapidly evolving world.
2. To foster a vibrant research culture that drives innovation, addresses complex global challenges, and contributes new understanding across the arts, sciences, and professions.
3. To intentionally develop leaders who possess strong ethical character, a deep commitment to environmental stewardship, and the cross-cultural competence to effect positive change.
4. To embed the principles of sustainability and inclusivity into our institutional identity, from our campus operations and policies to our academic programs and community partnerships.
5. To build robust partnerships with local and global communities, transforming lives through shared knowledge, collaborative service, and mutual growth.

### **Our Core Values**

#### **1. Integrity First**

We are uncompromising in our commitment to ethical conduct. This means fostering intellectual honesty in our research, demanding personal accountability in our actions, and ensuring transparent governance in our operations. We build leaders of strong character by modelling it ourselves, ensuring every decision is weighed against the highest ethical standards.

#### **2. Planetary Stewardship**

We recognize our profound responsibility to the planet. This value is embedded in everything we do, from our curriculum and research agendas focused on sustainability to our campus operations designed to minimize our ecological

footprint. We cultivate a deep-seated respect for the environment, empowering our community to be active stewards for a healthier, more resilient world.

### **3. Courageous Innovation**

We are driven by a restless curiosity to challenge the status quo and find better ways forward. We embrace interdisciplinary thinking, creative risk-taking, and an entrepreneurial spirit to solve complex problems. This means creating a culture where bold ideas are encouraged, failure is seen as a learning opportunity, and the pursuit of new knowledge is relentless.

### **4. Radical Inclusivity**

We believe that excellence is achieved not by exclusion, but by the intentional inclusion of diverse voices, backgrounds, and perspectives. We are committed to creating an accessible, equitable, and welcoming environment where every member feels a deep sense of belonging. We actively cultivate the cross-cultural competence needed to lead and serve effectively in a globally interconnected world.

### **5. Transformative Collaboration**

We understand that the greatest challenges cannot be solved in isolation. We actively break down silos between disciplines, between the university and the community, and between our institution and global partners. We build relationships founded on mutual respect, shared knowledge, and a collective desire to serve, knowing that we are stronger and our impact is greater when we work together.

#### **Objectives:**

1. Integrate technology-rich, multidisciplinary curricula with experiential learning.
2. Increase international student/faculty involvement via MoUs and exchange programs.
3. Launch an incubation/entrepreneurship center supporting student & faculty start-ups.
4. To educate students towards being Carbon neutral as well as environment friendly.
5. Strive to achieve 80% graduate employment and higher-study placement within six months of program end.
6. To focus on achieving maximum research articles and Patents.

7. To emphasize on conducting maximum community outreach projects focused on literacy, health, and environment.

**Whereas:** Both the parties feel that real life work experience, if provided and acquired by passing out students of Maya Devi University, Dehradun will help them to enhance technical skills required for the placement in various industries.

**Whereas:** There is no financial commitment on the part of both the parties to take up any program mentioned in the MoU.

**Now therefore, both the parties hereby agree as follows -**

Both parties have needed that can be addressed by establishing an efficient mechanism to promote collaboration between them in mutually beneficial manner.

The key benefits of each segment are as follows:

**Benefit to the students and faculties Maya Devi University, Dehradun**

Getting hands on experience in real life work projects.

- Getting confidence by learning to apply what the students have learnt in their studies.
- Students may be benefitted by getting trained in short/long term training courses offered by ESTC, Ramnagar, Uttarakhand and also eligible for waiver in the course fee as per the norms of ESTC, Ramnagar, Uttarakhand.
- On completing the Internship/Vocational Industrial Trainings, the students shall be skilled for getting placed in good organizations & corporate sector.
- Faculties may be benefitted by getting trained by Faculty development programs offered by ESTC, Ramnagar, Uttarakhand.
- The students will get exposure to the best of industry practices especially in emerging technologies in the field of mechanical, electronics, electrical & IT which are very essential to overall development of our country.

**Benefit to the Organization**

- It will give students exposure to industry and improve their skills so as to make them industry ready. Such qualified and skilled students would find placements in top industries and this, in turn, will add to the glory of the Organization.
- It will enhance Industry-academia collaboration by jointly conducting seminars, Faculty development programs and research activities.

**Objective of MoU**

1. To provide young and innovative minds, the required technical and practical skills to bridge the gap between industry and academia.
2. To increase the employability of students on completion of their education and internship.

3. To deliver guest lecture to students on latest technologies by technical experts/faculties by visiting the institute through faculty exchange and collaboration.

### **Guidelines of MoU**

1. To offer the Industrial visit of Maya Devi University, Dehradun students in ESTC as per the norms.
2. To offer Internship/ Vocational Industrial Training to the students of Maya Devi University, Dehradun for interested students if required as per norms of ESTC, Ramnagar and mutual consent on terms and conditions of both parties.
3. Intern must be inquisitive and try to gain maximum knowledge and exposure.
4. The intern will maintain a regular internship schedule determined by his/her project head.
5. Intern shall view an internship as bridge between University and the workplace to use their attained knowledge practically while undergoing internship.
  - a. The Intern must demonstrate honesty, punctuality, and willingness to learn during the internship program.
  - b. The Intern will obey the policies, rules and regulations of the organization and comply with the organization's business practices and procedures.
6. Each intern shall be assessed by the faculty member.
7. Feedback to be taken from student/intern and organization for further improvement in internship.

### **MODALITIES OF COLLABORATION**

1. ESTC, Ramnagar will train the students of Maya Devi University, Dehradun for short/long term training and projects under mutually agreed terms & conditions on case-to-case basis.
2. ESTC, Ramnagar will also aid the various academic departments of Maya Devi University, Dehradun in allotting final year projects based on real time industrial problems and provide feedback to the concerned department of Maya Devi University, Dehradun needed for their assessment.

### **Duration and Alteration of the Agreement**

The MoU will come into effect on the date of signature by both the parties and shall continue for a period of **Three years**. On completion of three years, the MoU may be reviewed and renewed for such periods and on such terms and conditions as may be mutually agreed upon by the parties to this MoU.

## **Force Majeure**

If at any time, during the validity of this Agreement, the performance in whole or in part, by other party, of any obligation under this is prevented or delayed, by reasons of war, or hostility, acts of public enemy, civic commotion, sabotage, act of state or direction from statutory authority, explosion, epidemic, quarantine restriction, strikes and lockouts, fire, floods, natural calamities or any act of God (hereinafter referred to as event), provided notice of happenings of any such events is given by the effected party to the other, within 07 calendar days from the date of occurrence thereof, neither party shall, by reasons of such events, be entitled to terminate the Agreement, nor shall other party have any such claims for damages against the other, in respect of such non-performance or delay in performance. Provided service under the MoU shall be resumed as soon as practicable, after such event comes to an end or ceases to exist. The decision of ESTC, Ramnagar as to whether service may be so resumed (in the time frame within which the service may be resumed) or not, shall be final and conclusive. However, the force majeure events noted above will not in any way cause extension in the period of the MoU.

## **Compliance of Laws**

Both the organizations shall perform their roles in strict compliance with all applicable laws in India along with rules and regulations of the Government as applicable.

## **Confidentiality:**

The parties agree to keep the Agreement in the strict confidence and not disclose to any third party or use for any purpose (other than in connection with this MoU) any information relating to the other's business which is marked "Confidential". This MoU is executed in two counterparts each of which shall be deemed original but shall together constitute one document only.
